

PRECISION BUILDERS INC.

— GENERAL CONTRACTOR —

COMMERCIAL SNOW & ICE MANAGEMENT SERVICES

❄️ Experienced Crews. Commercial Equipment. 24/7 Response. Safer Properties. ❄️

OUR SERVICES

COMMERCIAL SNOW PLOWING

Timely and efficient plowing to keep parking lots, roadways, and drive lanes clear and accessible.

PARKING LOT SNOW REMOVAL

Complete lot clearing for tenants, employees, and customers. We handle it so your business never stops.

SIDEWALK CLEARING

Safe pedestrian access with professional sidewalk clearing throughout every visit.

ICE CONTROL & DEICING

Salt and ice melt applications to reduce slip hazards and improve safety on surfaces.

SALT & LIQUID BRINE APPLICATIONS

Pre-wet salt and liquid brine programs for more effective ice control and longer-lasting results.

ANTI-ICING SERVICES

Prevent ice from bonding with proactive anti-icing treatments before storms arrive.

SNOW RELOCATION & HAULING

Large snow piles removed and hauled off-site to keep your property clean and functional.

24/7 STORM MONITORING & DISPATCH

We track the weather around the clock and dispatch crews before the storm hits.

LOADER & HEAVY EQUIPMENT SERVICES

Professional equipment for high-capacity snow removal and large-scale operations.

EMERGENCY STORM RESPONSE

Fast response when you need it most. We're ready for major storms and unexpected events.
